**Guidelines and responsibilities when purchasing your child's airfare:**

1. **He/She MUST fly into Frankfurt** where all of our German hosting families are expecting to pick up their American partners. If your child's *extended* travel plans involve another airport, that is absolutely fine as long as it does not affect the German host family initially picking up your child in Frankfurt.
2. **He/She MUST depart the U.S. on June 14<sup>th</sup> or June 21<sup>st</sup>.** If you have a scheduling conflict, please call The Friendship Connection to discuss the situation *before* purchasing your child's airfare.
3. **The Friendship Connection, Inc. MUST receive a copy of the finalized flight itinerary**, either a printed version attached to this form, or, if you are purchasing the airfare at a later date, an emailed version sent to: [Krista.FC@gmail.com](mailto:Krista.FC@gmail.com)
4. **It is the American parent's responsibility to communicate with the German host parents about their child's summer plans and flights.** (Do not leave this up to the student participants!) The Friendship Connection, Inc. can only be responsible for communicating group flight information and cannot be responsible for any information about individual deviations to the group.

**As the parent/guardian of a participant on The Friendship Connection, Inc., I acknowledge that I have read and understand the guidelines and responsibilities of purchasing my child's airfare for the summer exchange program.**
