1. Have you ever lived or travelled outside your country? Yes No If yes, describe where! (Wenn ja, beschreibe wo!)

Yes, I have traveled outside of Germany. One time I was on vacation in France. I really liked it there, because I enjoyed seeing the beautiful cities and the amazing landscapes.

2. Describe your community and surrounding area, including sightseeing possibilities, museums etc. which might interest a visitor. (Beschreibe deinen Wohnort und Umgebung, Ausflugsmöglichkeiten, Museen usw., die einen Besucher interessieren könnten.)

I live in a great municipality called Meinhard in Hesse. The surrounding area is really beautiful and there are some fun activities to do. But the town where I go to school is only 0,75 miles away and there are so many different and interesting activities that you can do there. For example, you can go climbing or swimming and even hiking is fun because the nature and sightseeing possibilities are just amazing. Also by public transport, it is really easy to get to the nearby big cities, like Frankfurt, and the possibilities for activities there are endless. And the best thing about it is that train and bus travel is pretty cheap and fast here. So there are so many different and enjoyable activities to keep a visitor entertained.

3. What subjects do you like in school? For what reasons? What profession or occupation are you considering? For what reasons? (Welche Fächer gefallen dir in der Schule? Aus welchen Gründen? Welchen Beruf möchtest du ergreifen oder in welchem Bereich möchtest du arbeiten? - Bitte diese Frage auf jeden Fall beantworten!!)

My favorite subjects in school are sports and English. I like sports for many different reasons. They foster team spirit, involve physical activity, and offer competition. But the main reason I like sports the most is because you get to try out so many different new sports. The reason I like English is that I find it interesting to learn a language other than my native language and English is perfect for that because it is one of the world languages. Besides I am also interested in the culture of other many other countries, including America, and English is ideal for that. I once did an internship with an architect and I am thinking about making that my future career. However, I haven't been able to completely decide on a future career yet. So I am still gathering inspiration for what I could do in the future.

4. List your favorite activities, hobbies, and ways you occupy your free time. (Nenne deine Lieblingsbeschäftigungen, Hobbys und bevorzugte Freizeitaktivitäten. Welche Musik hörst du? Welche Sportart/en betreibst du? Bitte sehr ausführlich beantworten!!)

One of my all-time favorite activities is playing basketball. What I like about it is that there are so many different new skills and tricks you can learn quickly and see your improvement. In addition, I also enjoy watching the DBB (German Basketball Association) and NBA games. But most importantly you can play basketball with your friends and that is a lot of fun. In my free time I also often meet up with my friends. I usually just hang out with them and do things like watching movies, listening to music, spending time outdoors, doing different sports and many other things. Sometimes I also play video games with them. And when I don't meet up with my friends I spend time with my younger siblings. My taste in music varies from day to day. Most time I like to listen to rap but sometimes I also like to listen to rock or some other genres.

5. Do you have pets in your home? Yes No How many and what kind of pets? (Wie viele und was für welche?) 1 dog _____
