1. Have you ever lived or travelled outside your country? Yes No If yes, describe where!
(Warst du schon einmal im Ausland?)
(Wenn ja, beschreibe wo!)

So far, I have had the opportunity to visit some impressive places abroad. My longest and furthest trip was to Mexico to visit relatives who used to live there. We spent time in the breathtaking Caribbean, which was absolutely beautiful. Afterwards we went to Mexico City, which was definitely a very intense experience I will never forget.

2. Describe your community and surrounding area, including sightseeing possibilities, museums etc. which might interest a visitor.
(Beschreibe deinen Wohnort und Umgebung, Ausflugsmöglichkeiten, Museen usw., die einen Besucher interessieren könnten.)

Marburg is a historic city in Hesse, Germany, known for its well-preserved old town and Philipps University. The city has a rich history dating back to the Middle Ages and is famous for its well-preserved half-timbered houses and its charming upper town with cafes, restaurants and many shops.

There are also countless leisure activities in Marburg. Starting with many sports fields, a swimming pool, a mini golf course and a climbing forest, all the way to Lake Niederweimar, where you can go swimming in summer, and the Lahn, where you can ride a pedal boat. The city of Marburg not only offers historical sights, but also a lot of fun for young people, regardless of whether you are looking for action, culture or just a good time with your friends.

3. What subjects do you like in school? For what reasons? What profession or occupation are you considering? For what reasons?
(Welche Fächer gefallen dir in der Schule? Aus welchen Gründen? Welchen Beruf möchtest du ergreifen oder in welchem Bereich möchtest du arbeiten? - Bitte diese Frage auf jeden Fall beantworten!!)

I love mathematics at school because I enjoy dealing with complex problems. The feeling when you have calculated the solution is simply priceless. It gives me a kind of intellectual satisfaction to crack puzzles and solve problems. Biology is another subject that fascinates me. The possibility of understanding how processes in the human body or in nature work, is incredibly interesting to me. The practical side of conducting experiments and then outlining the procedures makes learning even more exciting. PE rounds off my school subject package. I enjoy doing sports in my free time and I think it's a great balance to the other subjects that require a lot of sitting. Sport helps me to relax and at the same time promotes my physical fitness. In terms of my professional ambitions, I can well imagine myself pursuing a career that helps and supports children. This could be as a teacher to impart knowledge, as a psychologist to provide emotional support, or in politics to represent the interests and needs of children. I believe that children are the future and it is important to invest in them, whether through education.

4. List your favorite activities, hobbies, and ways you occupy your free time.
(Nenne deine Lieblingsbeschäftigung, Hobbys und bevorzugte Freizeitaktivitäten. Welche Musik hörst du? Welche Sportart/en betreibst du?
Bitte sehr ausführlich beantworten!!)

My longest and most passionate hobby is definitely football. I have been playing with enthusiasm and dedication since I was 7 or 8 years old. For me, the soccer field is not just a playing field, but a place where I can forget everything around me and really let off steam. I am playing in an all-girls team now, that has become like a family to me. The community and shared experiences on the pitch mean an incredible amount to me.

About three years ago I discovered another hobby - dancing, or more precisely couple dancing. I go to dance school about twice a week with my regular dance partner, where we practice dances such as rumba, cha-cha and waltz. Similar to playing football, dancing allows me to forget everything around me and just enjoy the fun of dancing.

5. Do you have pets in your home? Yes No
(Haben Sie Haustiere in Ihrem Haus/Ihrer Wohnung?)

How many and
what kind of pets?
(Wie viele und
was für welche?)
