1. Have you ever lived or travelled outside your country? Yes  No

If yes, describe where!  
(Wenn ja, beschreibe wo!)

Yes, I have travelled to several countries, including Iceland, Spain, Albania, Kosovo, Croatia, Bulgaria, Turkey, Egypt, Austria, Switzerland and the UK (London on a school trip)

2. Describe your community and surrounding area, including sightseeing possibilities, museums etc. which might interest a visitor.  
(Beschreibe deinen Wohnort und Umgebung, Ausflugsmöglichkeiten, Museen usw., die einen Besucher interessieren könnten.)

I live in Ehringshausen, a large village with around 9,600 inhabitants. During spring and summer, we celebrate many village festivals. There is a lot of nature surrounding Ehringshausen, where you can have a picnic with friends, go for a walk, or just hang out by the river. Thanks to several bus stops and a train station, it's easy to visit nearby cities like Wetzlar or Herborn. You can also visit Frankfurt, a big city, for shopping. In my area, you can also get ice cream and watch football. We have a climbing park, several lakes where you can go waterskiing or rent a pedal boat. You can also go canoeing, play laser tag, or simply enjoy a relaxed evening at the cinema. There are so many things to do here that it's impossible to list them all!

3. What subjects do you like in school? For what reasons? What profession or occupation are you considering? For what reasons?  
(Welche Fächer gefallen dir in der Schule? Aus welchen Gründen? Welchen Beruf möchtest du ergreifen oder in welchem Bereich möchtest du arbeiten? - Bitte diese Frage auf jeden Fall beantworten!!)

My favorite subjects in school are PE, since I've been attending school because I enjoy sports. I also love English because it allows me to watch series and movies in their original language and gives me the opportunity to communicate with people from all over the world. Theatre is another favorite of mine because it's fun to step into different characters and act as someone else. Lastly, I really enjoy Geography because it helps me learn about the world and its diverse places. In the future, I would love to become a psychologist. I'm fascinated by how the mind works and how understanding human behavior can help people lead better lives. Having positive impact on peoples well-being is my goal.

4. List your favorite activities, hobbies, and ways you occupy your free time.  
(Nenne deine Lieblingsbeschäftigungen, Hobbys und bevorzugte Freizeitaktivitäten. Welche Musik hörst du? Welche Sportart/en betreibst du? Bitte sehr ausführlich beantworten!!)

One of my special interests is photography, as I love capturing special moments through pictures. I also enjoy spending time with friends, whether it's doing various activities or simply hanging out. I'm always interested in trying new things and making lasting memories. In the evenings, when I don't have plans, I like to watch series and movies, either alone, with friends, or with my father. Additionally, I go horseback riding once a week. I also like to go for walks, as it's a great way to clear my mind. Listening to music is also a daily part of my life, and I love how diverse my music taste is. I listen to many different artists like Rihanna, Adele, The Weeknd, and many more. My dad and I also enjoy driving around in the car together. Lastly, baking is a passion of mine that I love to indulge in during my free time.

5. Do you have pets in your home? Yes  No

(Haben Sie Haustiere in Ihrem Haus/Ihrer Wohnung?)

How many and what kind of pets?  
(Wie viele und was für welche?)
