1. Have you ever lived or travelled outside your country? Yes No If yes, describe where!
(Warst du schon einmal im Ausland?)

I have had the opportunity to travel to Italy, Denmark, the Netherlands, Belgium, Norway, Croatia, Slovenia, Spain, France & Sweden (during 2 school exchanges), Greece and South Korea. My experiences abroad made me curious to explore even more and connect with people from around the world.

2. Describe your community and surrounding area, including sightseeing possibilities, museums etc. which might interest a visitor.
(Beschreibe deinen Wohnort und Umgebung, Ausflugsmöglichkeiten, Museen usw., die einen Besucher interessieren könnten.)

I live in a small town in central Germany, about one hour away from Frankfurt and Cologne. There are approximately 15,000 inhabitants, which makes it a nice balance between a quiet place and a lively community. The town offers various activities and places to spend time, such as restaurants, cafés, a cinema, swimming pools, sports clubs, and lots of nature. Bigger cities are easy to reach for day trips, but my hometown also has a cozy and welcoming atmosphere. Visitors can experience real German life- local traditions, family activities and typical food.

3. What subjects do you like in school? For what reasons? What profession or occupation are you considering? For what reasons?
(Welche Fächer gefallen dir in der Schule? Aus welchen Gründen? Welchen Beruf möchtest du ergreifen oder in welchem Bereich möchtest du arbeiten? - Bitte diese Frage auf jeden Fall beantworten!!)

My favorite subjects in school are all connected to languages and culture. I speak six languages (some better than others), and I've always loved both learning and using them abroad. While AI is shaking the communication we are used to, I believe it can feel more healing than ever to connect with other people, which is why I think language learning and a basic comprehension of other cultures plays such an important and rewarding role in my life. I also like reading and analyzing texts in subjects like German, History, and Politics because I am fascinated by both art and culture in general and how they shape society.

I am still not completely sure what I want to do in the future, but I would love to study or work abroad in a field related to psychology or international relations. Both areas combine my passion for understanding people and my interest in intercultural communication.

4. List your favorite activities, hobbies, and ways you occupy your free time.
(Nenne deine Lieblingsbeschäftigungen, Hobbys und bevorzugte Freizeitaktivitäten. Welche Musik hörst du? Welche Sportart/en betreibst du?
Bitte sehr ausführlich beantworten!!)

Art in all its forms plays an important role in my life.

I love listening to music and podcasts, reading books that make me think, and exploring topics related to society, human interaction and culture.

My taste in music is very broad- I enjoy many genres depending on my mood. It also kind of reflects the fact that I am a very adaptable person, who is always just one step away from falling into the next rabbit hole. I play the guitar and used to do athletics, but I stopped when I realized I prefer exercising more flexibly at home. I still like to stay active by biking through the forest behind my house or going bouldering with my dad during the colder months.

Releasing my stress when I engage in different hobbies really helps me to be able to properly manage my responsibilities.

For instance listening to music on my way home from school always helps me regain energy and focus.

5. Do you have pets in your home? Yes No
(Haben Sie Haustiere in Ihrem Haus/Ihrer Wohnung?)

How many and
what kind of pets?
(Wie viele und
was für welche?)

1 cat and 2 dogs
