1. Have you ever lived or travelled outside your country?
(Warst du schon einmal im Ausland?)

Yes

No

If yes, describe where!
(Wenn ja, beschreibe wo!)

I've already been to some countries, most of them are in Europe. We only travel during the summer holidays. This year we went to Greece, but the years before I went to Spain, France, the Netherlands and Russia. Russia is the only country I visited outside of Europe so far.

2. Describe your community and surrounding area, including sightseeing possibilities, museums etc. which might interest a visitor.
(Beschreibe deinen Wohnort und Umgebung, Ausflugsmöglichkeiten, Museen usw., die einen Besucher interessieren könnten.)

I live in a small city called Stadtlallendorf. I live pretty central, so it only takes me 5 minutes to get to the supermarkets here. In Stadtlallendorf there's not really much to see, but the next bigger city is Marburg, which is a university town. Marburg already has some activity spots like a cinema or shops to go shopping. The old town is really pretty and has some really good cafes. Frankfurt is the next big city. When I want to go shopping, I go there by train. It is also the city, where my class plans the most trips to, because you can do some pretty cool activities there, like an escape room. Fun fact: Frankfurt has the biggest skyline in Germany. Which looks really pretty, if you go there when it's dark outside.

3. What subjects do you like in school? For what reasons? What profession or occupation are you considering? For what reasons?
(Welche Fächer gefallen dir in der Schule? Aus welchen Gründen? Welchen Beruf möchtest du ergreifen oder in welchem Bereich möchtest du arbeiten? - Bitte diese Frage auf jeden Fall beantworten!!)

My favourite subject in school is English. I just think it's so fascinating that you can communicate with everybody in the world through one language. It's one of the few subjects I like because it's not hard for me to learn it. But I also like sports, it's just something different than sitting 8 hours a day. But it also has something to do with the topics we have. I like topics like dancing, gymnastics or maybe even volleyball, but something that I do not like is soccer or athletics. I don't really know what I want to do as when I'm older, but I like the career path in psychology. But I'm only fifteen, so I have enough time to think about my future career.

4. List your favorite activities, hobbies, and ways you occupy your free time.
(Nenne deine Lieblingsbeschäftigungen, Hobbys und bevorzugte Freizeitaktivitäten. Welche Musik hörst du? Welche Sportart/en betreibst du? Bitte sehr ausführlich beantworten!!)

My passion has been dancing since I was ten years old. I dance show dance, and that's where you dance on the stage at carnival. We have costumes and a matching theme, where we also adjust the music to our current theme. When I was little, I tried ballet classes, but didn't like it, and now I regret not continuing. But at the moment I'm thinking about starting another dance style called MTV, at a dance studio in Stadtlallendorf. In my free time, I love listening to music. My favourite genre is probably pop, it just has the best vibes for me. My favourite artist is Tate McRae, she did a world tour this year, but I sadly couldn't go because it would've been too spontaneous. My favourite songs from her are „bloodonmyhands" and „means I care" from her album „to close to what", but I also love her old album „think later".

5. Do you have pets in your home? Yes ☒ No ☐
(Haben Sie Haustiere in Ihrem Haus/Ihrer Wohnung?)

How many and
what kind of pets?
(Wie viele und
was für welche?)

I have 2 cats, both are the breed british shorthair
