1. Have you ever lived or travelled outside your country? Yes ☒ No ☐ If yes, describe where! (Wenn ja, beschreibe wo!)

I am a passionate traveller and have visited several European countries, as well as Thailand in Asia and Egypt in Africa. My favourite destination so far has been Prague because I love big cities with impressing architecture and history. However, I have never been to the United States and would be very excited to explore it one day.

2. Describe your community and surrounding area, including sightseeing possibilities, museums etc. which might interest a visitor. (Beschreibe deinen Wohnort und Umgebung, Ausflugsmöglichkeiten, Museen usw., die einen Besucher interessieren könnten.)

Wetzlar is a small city with lots of history and many trip possibilities in the surrounding area. My personal favourites in Wetzlar are the old town, which is very charming and historical (big cathedral in the heart of the city, typical german old town houses...) and the Leica World, a large square built by the famous camera company Leica, which is located next to my school. Less then an hours drive from Wetzlar is Frankfurt, one of the biggest cities in Germany with plenty of shopping opportunities, many sights to explore and the best food spots you will ever taste!

3. What subjects do you like in school? For what reasons? What profession or occupation are you considering? For what reasons? (Welche Fächer gefallen dir in der Schule? Aus welchen Gründen? Welchen Beruf möchtest du ergreifen oder in welchem Bereich möchtest du arbeiten? - Bitte diese Frage auf jeden Fall beantworten!!)

My favourite subjects are English, Spanish and History, although English is definitely my favourite. I have always been a very language oriented person, and I believe that having good language skills can be extremely helpful in the future, for example when travelling. That is why I always payed most attention in those specific subjects. History, on the other hand, fascinates me because it helps me understand humans better.

My dream job would be either journalism or studying English literature and eventually becoming a professor. This is because I am passionate about writing, reading and (hopefully) inspiring people someday.

4. List your favorite activities, hobbies, and ways you occupy your free time. (Nenne deine Lieblingsbeschäftigungen, Hobbys und bevorzugte Freizeitaktivitäten. Welche Musik hörst du? Welche Sportart/en betreibst du? Bitte sehr ausführlich beantworten!!)

Most of my hobbies revolve around music because I am a huge music lover and spend most of my time listening to it. I play the guitar and a bit of bass, but most of my freetime I spend in my dance studio (1stcut dance base). I take dance classes four times a week, training in various styles such as hip-hop, female, house... When I am not at the studio, I like reading books or going to concerts, even though that may seem a bit contradictory if you think about it...

When it comes to my music taste, it often changes, but I really love RnB, rap, 70s hits, house and sometimes even jazz. Even though I have many interests and hobbies, it is most important for me to spend time with my friends, have fun and really live life to the fullest!

5. Do you have pets in your home? Yes ☐ No ☒ (Haben Sie Haustiere in Ihrem Haus/Ihrer Wohnung?)

How many and what kind of pets? (Wie viele und was für welche?)
